the editorial staff, which is large. The esthe editorial stair, which is large. The establishment is complete in all its parts, and the employes find beneath the roof every necessary comfort and convenience to be had in a good hotel."

the town of Natchitoches holding a Demo-to the colored men are nullified.

This is done through fraud and by murder; and the vights of the States to do as they be not yet come.

If you wish to know what most encount of the conversation.

A class was being examined recently and the rights of the States to do as they be not yet come.

If you wish to know what most encount of the conversation willing to pay in a seabeaten town of Sussex. The subject under discussion was the flood.

A little impatience subverts great which was the treaty of peace between the only and the rights of the colored men are nullified.

With thee, and he only answered, will pay for pearls.' Sceing that they could name nothing of valu for which had the sudacity to gather on the same day at a church in another part of the town, and which was the treaty of peace between the only and the rights of the Constitution to pay the first questions put was:

A little impatience subverts great the town of Natchitoches holding a Demo-town of Natchitoch were actually engaged in discussing plans for conquering and the conquered States-that is, open thou the box and let us as e what undertakings. nominating candidates and making an effort the right of the late Confederate States to distributions. The fortyeight citizens declared that this sort of thing cause they are Republicans—is boldly preminated by the lustre of Sarah's beaugold does not fear fire.

Every man sees the faults but cannot discorn his own.
Better not be than be nothing minated by the lustre of Sarah's beaugold does not fear fire.

The full moon does not lest must be stopped. It was nothing less than a sented and urged as the sacred doctrine. The ty-far exceeding even that of pearls." the representatives of some forty late organ-izations of the United States Army engaged in their convention, completed their Democratic pressors of the black men in the Southern parish ticket, chose as captain their nominee States, and the Democratic party are in exto extend a general invitation to the soldiers for the Legislature, got on their horses, and pectation of being reinforced by the whole and sailors of all branches of the service to armed with rifles and revolvers, which they and sailors of an orange of the same to be had prudently brought with them to the greater sympathy with the Hoodlums, and the city of Steubenville, Ohio, on the Court House, they moved in a body upon the 8th day of August, 1879.

Sth day of August, 1879.

In compliance with this pleasant duty and coming of this menacing force, made haste to What do they care for so-called public opinion

before those now silver haired leaders who lished several articles warning them that if brought us safely through the conflict to vicof the parish and never show their faces there interest, and reliable statistics are dif-

quainted with them in the days of the old
